Justin

Lee

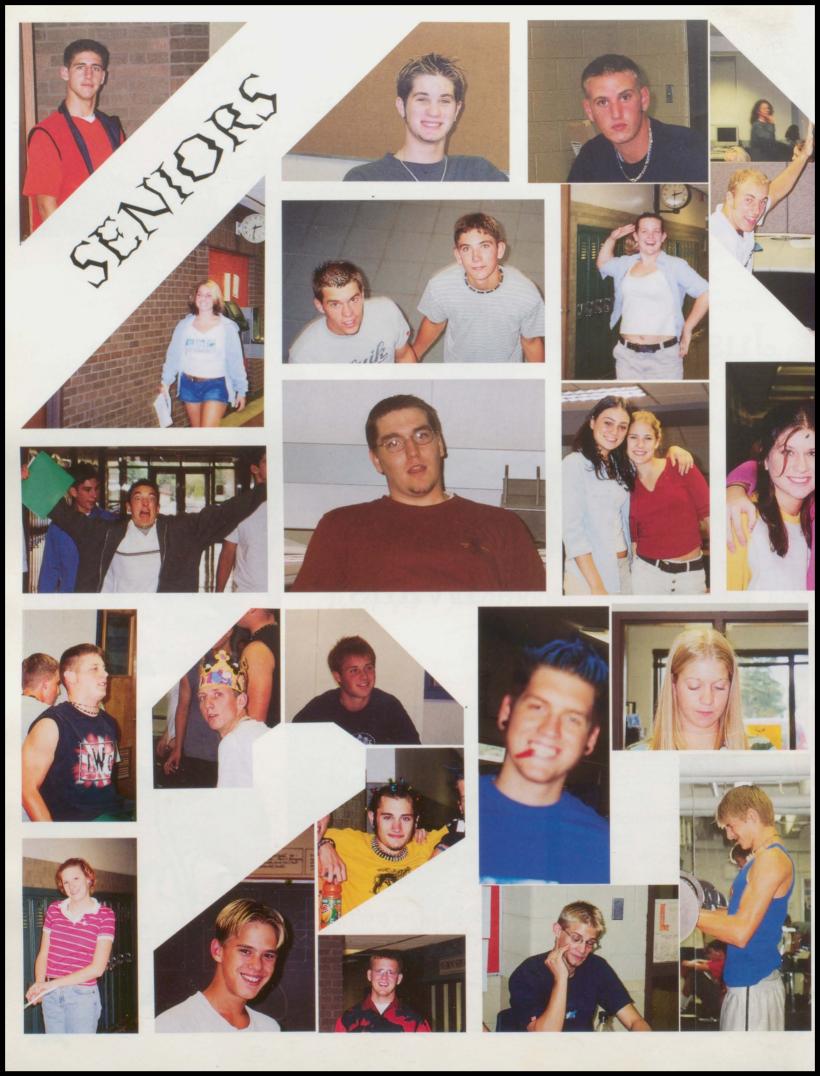

Evans

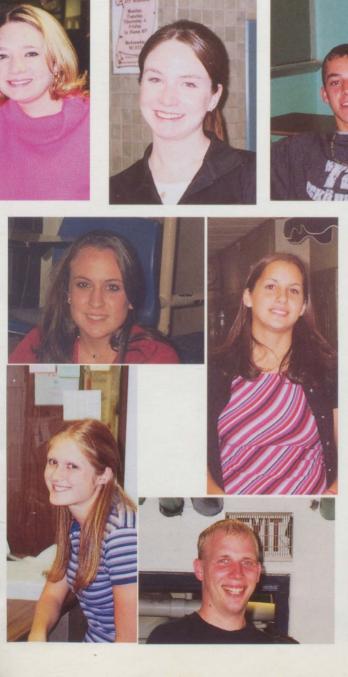

Justin Lee Austin Christopher Evans was a great friend and family member. He enjoyed fixing his cars, trucks, motorcycles, and jet skis. He also liked to go out to the airport after school and help his father work on his airplanes. His hobbies included playing football, which he was a member of the freshmen football team, hockey, and hunting. Justin was always surrounded by many people and wore his vibrant, bright smile everywhere he went. He had many friends from different cliques, schools, and even different cities.

Justin will always be remembered for his great sense of humor and magnetic personality. Most of all, he will be remembered by his wonderful, bright, white smile. He will be greatly missed by his classmates, family, and friends.

"Here's to the Night"
By
Eve 6

So denied
So I lied
Are you the now or never kind?
In a day
And a day love
I'm gonna be gone for good again
Are you willing to be had
Are you cool with just tonight?
Here's a toast
To all those who hear me all too well.

Here's to the nights we felt alive Here's to the tears you knew you'd cry Here's to goodbye Tomorrow's gonna come too soon.

Put your name
On the line
Along with place and time
Wanna stay
Not to go
I wanna ditch the logical
Here's a toast
To all those
Who hear me all too well.

Here's to the nights we felt alive Here's to the tears you knew you'd cry Here's to goodbye Tomorrow's gonna come too soon.

All my time is froze in motion Can't I stay an hour or two or more Don't let me let you go.

Here's a toast To all those who know me all too well.

Here's to the nights we felt alive Here's to the tears you knew you'd cry Here's to goodbye Tomorrow's gonna come too soon.

CRYSTAL MEACHAM

VALEDICTORIAN

Crystal Meacham was awarded the title of Valedictorian for the Class of 2002. She achieved the honor with a grade point average of 4.111 on a 4.334 scale. Crystal worked very hard throughout her high school career to achieve this prestigious honor.

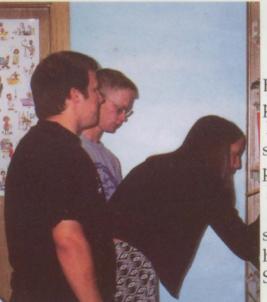

Senior activities she participated in were: swimming, Student Council President, and the Marysville Viking Regiment. She also plays soccer all year round, is a member of National Honor Society, does volunteer work, and participates in school theatre.

After high school, she plans to attend a four year University where she will study medicine.

Her favorite class is band with Mr.

Duso. She says she has the most fun in there. Also, she was able to meet really amazing people that she wouldn't otherwise have the opportunity to. Crystal also says the band is a really awesome group; there is just something special about it.

Crystal is the proud daughter of Cindy Meacham and the sister of Jamie and Robert.

AIIIB

Brandon Eagen was awarded the

proud title of Salutatorian. He worked very hard throughout high school to maintain a grade point average of 4.083 on a 4.334 scale. For the past four years, he has been supported by his parents; Debbie and Joe Eagen, his brother; Zach, and sister; Hillary.

Brandon has been involved in many activities. They include: soccer, "the real futbol" as he says, swimming, track, band since he was five, Student Council Secretary, and National Honor

Society Vice President.

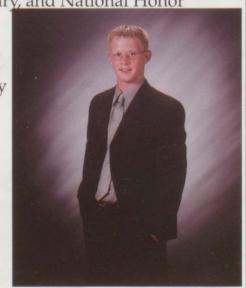

Brandon has many favorite classes. He enjoys band with "Big

D," Mrs. Keifer's Composition class because they always have a "jolly old time," and last but certainly not least, Mr. George's Physics class; whether it's making fun of Rogers or talking about Francium.

After high school, he plans to either attend the University of Michigan to become an aerospace engineer or Michigan State to become a physics teacher.

Some of his favorite quotes include; "The Individual is the the World," by Emerson, and "You have to keep breathing because tomorrow the sun will rise; who knows what the tide may bring," by

Homecoming, they hardly had anytime to stop and take a breath. It seemed just like yesterday that they were voting on our freshmen float, but now they decided our class motto, class colors and even class song. They did a wonderful job!

In Remembrance of Our Friends

"Success"

By Joshua Neal

"To have lived my life with no regrets; to earn the respect of my peers for what I am doing, not what I have done in the past; to aid my parents when God has turned the tables; to go to a place of higher intellect; to know that I have lived my life the way I wanted to, and not how someone else wanted me to; to die with peace of mind is

to have succeeded."

Though Jason Wigginton, Joshua Neal and Justin Evans are gone from our world, they will always be remembered in our minds and hearts. It seems so unfair that God has taken three people that we have cared about for so long away from us. However, we all must remember that they are in a better place now. We will always remember the good times we shared with them. We love you Justin, Joshua, and Jason!

Memories that fill our minds
a thousand tears we've cried
so many things were left unsaid
before we said goodbye.
You will not be forgotten,
but forever in our prayers.
We wish you could be here with us...
it all seems so unfair.
To see your face and hear your voice
is sadly, just a dream.
Though you're somewhere in the heavens,
in our hearts is where you'll be.

~Rachelle Kimball~

Friends By Michael W. Smith

Packing up the dreams God planted In the fertile soil of you Can't believe the hopes he's granted Means a chapter in your life is through But we'll keep you close as always It won't even seem you've gone 'Cause our hearts in big and small ways Will keep the love that keeps us strong.

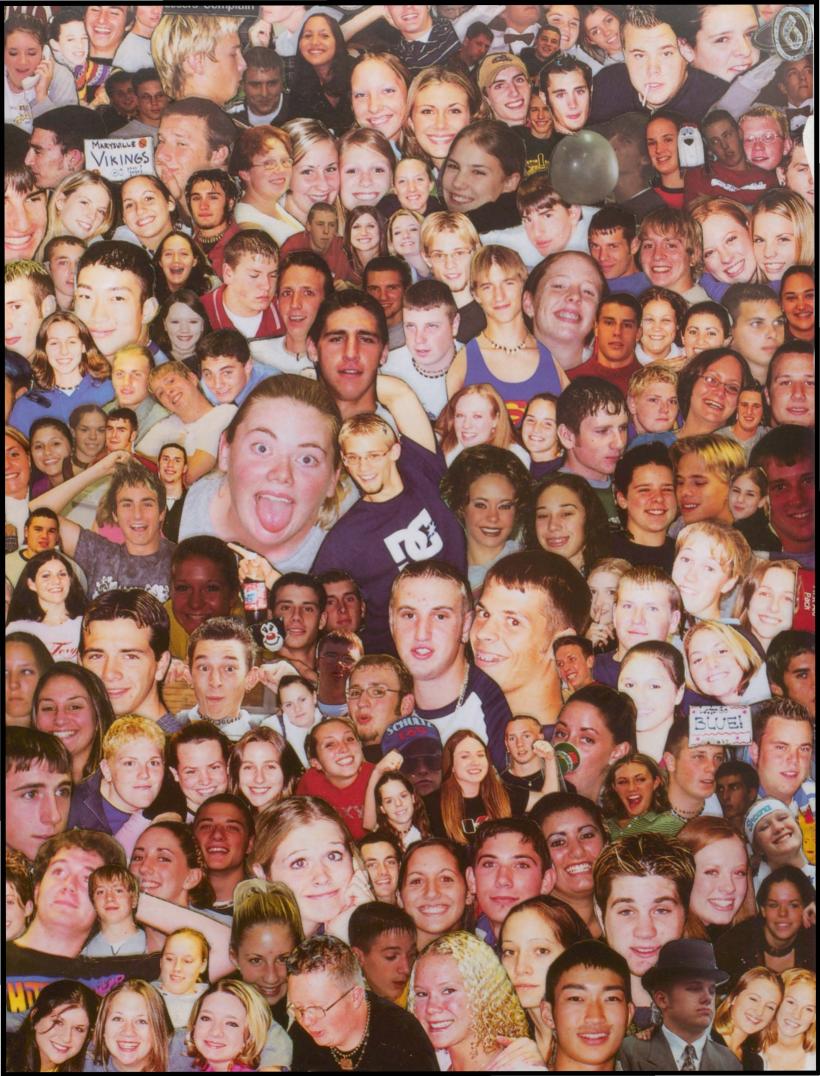

Chorus:

And friends are friends forever
If the Lord's the Lord of them
And a friend will not say "Never"
'Cause the welcome will not end
Though it's hard to let you go
In the Father's hands we know
That a lifetime's not too long
To live as friends.

With the faith and love God's give
Springing from the hope we know
We will pray the joy you'll live in
Is the strength that now you show
But we'll keep you close as always
It won't even seem you've gone
'Cause our hearts in big and small ways
Will keep the love that keeps us strong.

Well, it's official; one more year left. Many new changes happened this year, and, as always, some things stayed the same. We were privileged enough this year to drive to school, and, if we were lucky, park in the back parking lot. Junior prom was a big milestone that will always be embedded in our memories and our hearts. Our workload, as students, got much lighter, but as friends, our friendships got stronger. The Marysville High School Choirs were off to a good start this year with "Proud to be an American" as the theme for their first concert. The songs from this concert were also used when both mixed and women's choirs went to the Elementary schools to sing for the little kids.

This year's theme for the Christmas concert was "Peace and Light." It ended with a song, which had the Junior High and both choirs from MHS combined called "Light the Candles all Around the World." The candles on stage were a nice touch!

The members of the MHS choir have worked very hard this year and have done an excellent job. Keep it up!

In the history of baseball, the highest priority is to come out on top. This year, the Varsity Baseball team went into the season with the same idea. They strived to give the best competition. Teamwork and dedication paid off as the season progressed. Even though the team did not win every game, it felt like they did. They came on strong in the beginning and stayed strong until the end. Great job to the players and the coaches!

This year's Men's Tennis team had a very successful season. Under the leadership of Coach Ray Martin and Co-Captains Brian Murray and James Sawdon, the team captured the league title. Outstanding play was demonstrated by each member of the team as they continued improving throughout the season. Key highlights of the season were junior, John Murray advancing to the state match, as well as capturing the number one spot at the league meet. Along with him was his brother, Brian Murray, who captured 2nd place. Congratulations on a great season!

Above: Nick Biondo concentrates on returning the ball with precision.

The Varsity Girl's Soccer team had a wonderful season. They worked hard during the second year with their Coach, Jerry Frendt. They concentrated on passing the ball and communication. Co-Captain Jessica Wienert said, "I'm really glad that during my last year we were so successful and that I got to make a lot of good friends on the team." The team tried something a little different this year when a few of the players were considered the "JV team." These players were ones with a little less experience at the beginning of the season. All of those players did an amazing job and played hard in many of the games. Co-Captain Courtney Russell said, "I'm glad these girls got a chance to play. They have really worked hard to earn their spot on the Varsity squad."

ADMINISTRATION...By definition means management of the affairs of a business. That is exactly what the administrators of Marysville High School take care of. Our teachers are in the business of making students become more productive leaders and they succeed because of the support they have in their corner. Mr. Farnsworth, Mr. Valko, Mr. Venia and Mr. Curley are concerned about the well-being of the entire student body. If you have a problem or a concern, all you have to do is let them know and they will do whatever they can to help you out. Without the eagerness of these people, Marysville High School would not have the fine reputation of intelligence and integrity.

CUSTODIANS

A big thanks to our custodians for picking up after us. If not for them, our school would be a disaster like our bedrooms at home.

BUS DRIVERS

No excuses here! Our bus drivers are the best! They're always on time and responsible. If you are late for first hour, it's not because of the bus.

COOKS

What would we do without our wonderful cooks? These ladies work hard all day so our students can have a good lunch.

Another turning point
A fork stuck in the road
Time grabs you by the wrist
Directs you where to you go

So make the best of this test And don't ask why It's not a question But a lesson learned in time It's something unpredictable
But in the end is right
I hope you had
the time of your life

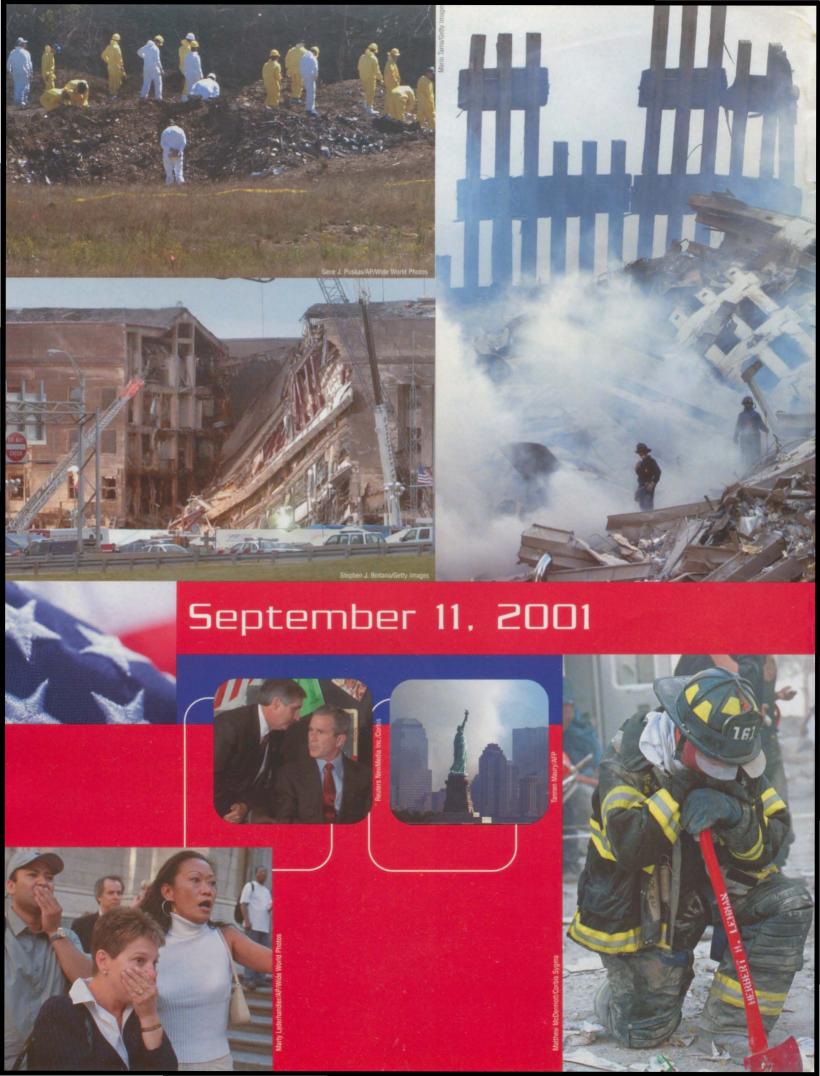

So take the photographs
And still frames in your mind
Hang it on a shelf
Of good help and good times

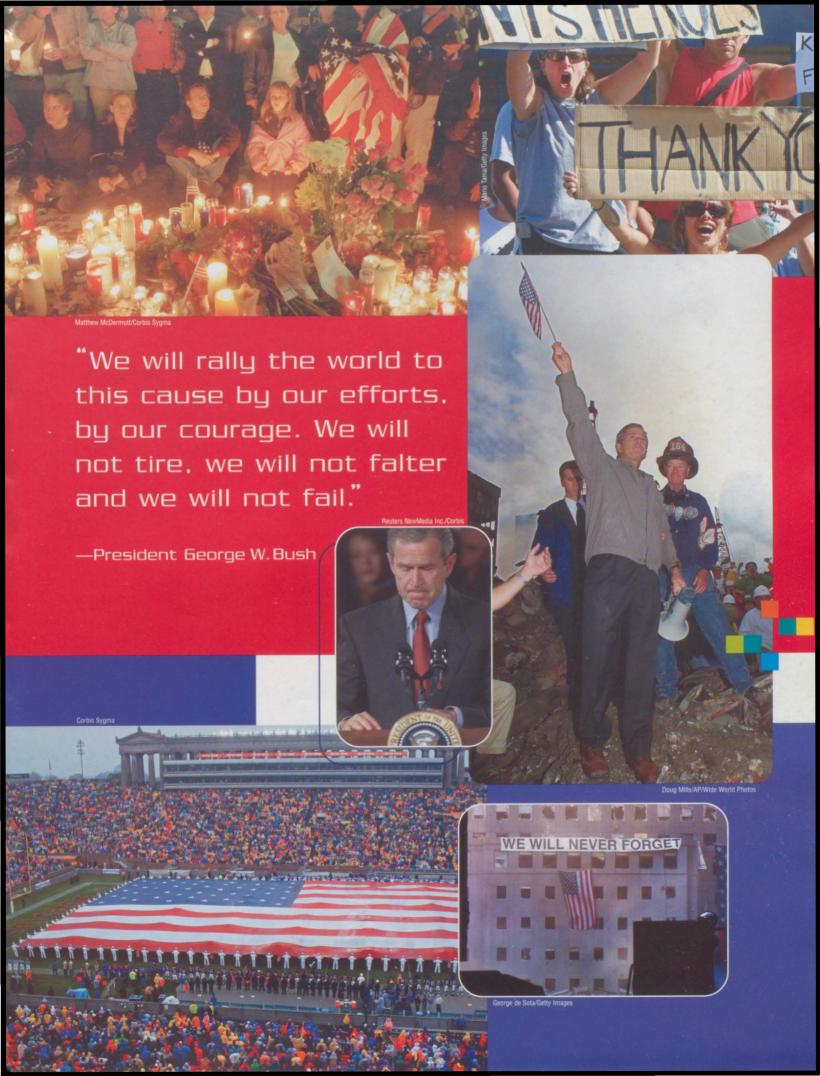

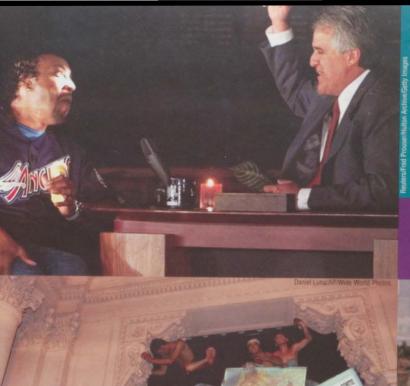

Tattoos of memories And dead skin on trial For what it's worth It was worth all the while It's something unpredictable
But in the end is right
I hope you had
the time of your life.
